Subject: Gifts

As you might imagine at this time of year, there are many well wishers sending cards, notes and gifts to the Sheriff. While the Sheriff enjoys cards and notes, she will not accept gifts at any time of the year, due to reporting requirements and other limitations imposed by the Code of Ethics. If you are approached by a vendor or other individual who would like to bestow a gift to the Sheriff, please ask them to instead consider donating their gift to a local charity of their choice. The Sheriff is involved in so many charitable organizations throughout Alachua County that are in need of any support, and this would be not only a more appropriate venue for their generous gifts, but an even more valuable benefit to that charity.

Thank you for your understanding and your assistance

Marlene R. Hanna
Executive Assistant to the Sheriff
